

IMPORTANT NOTICE

LAKE WILDWOOD BOAT REGISTRATION

Starting November 30, 2022, the new 2023 Lake Wildwood (LWW) Boat registration decals will be available. The old green LWW decal will expire January 2023. The new "**Blue**" LWW Boat decal will replace the old "Green" LWW decal. All water-craft that utilize Lake Wildwood will require a the new "**Blue**" Decal. The new decal will be installed by Lake Patrol personnel only.

To obtain a new "Blue" LWW Boat Decal perform one of the following.

- a) Boat Patrol will hold open registration from 10am until 2pm at the spillway on December 03, 2022, either float up to the main dock or trailer your boat to the spill way and lake patrol will issue new decals with proper ID.
- b) Fill out a request at the Lake Wildwood office, Lake Patrol will contact you to set up an appointment to issue a decal. Note: Lake Patrol will have boat registration application at the open registration.

Proper ID consist of:

- a) Proof of residency (LWW ID or Driver license with LWW address).
- b) Proof of ownership for motorize water-craft only (DNR registration. Bill of sales, with LWW address)
- c) Non- motorize water-craft only require proof of residency. (Paddle boat, kayak, water board, etc.)
- d) Note: If your water-craft has "Green" LWW decal installed and you are still the current owner then only Proof of residency (LWW ID or Driver license with same LWW address that is on file.

NOTES:

- 1) All boats are limited to a maximum engine size of **60 horsepower** (this is determined by manufacturer specifications and no limiters or modifications are accepted of reduced output), maximum length of **22 feet for pontoon**, and **18 feet for all other boats**.
- 2) Jet ski, surf jet, wet bike or other so-called "personal watercraft shall a maximum length of **15 feet**. Maximum horsepower shall not exceed **60 horsepower at the impeller pump**, this is determined by manufacturer specifications and no limiters or modifications are accepted of reduced output.
